## Electricity

~~£8.99~~ £6.11

Not rated yet!

Author: Spilsbury Louise  
Publisher: Raintree  
Age range: 7 - 9 years

Modern living wouldn't be possible without electricity. This book looks at how electricity travels, how it is stored in batteries, and how power plants produce the electricity we need to light our homes, schools and businesses. Flowcharts with bright photographs and fascinating fact boxes help explain the concepts of electricity.
